Ranch, built between 1824-70, was one of the  
most important land holdings in the Monterey  
area. The adobe and frame buildings arranged  
around quadrangle, existed until 1937 when  
measurements were made. Records compiled by  
HABS comprise 25 sheets (1938; 1959; 1960);  
9 ext. photos (1934); 9 data pages (1937);  
1960).
